Date : 1<sup>st</sup> May 2013

Ask for :

Dear Rhian,

**CAERPHILLY COUNTY BOROUGH COUNCIL - COMMUNITY  
INFRASTRUCTURE LEVY (CIL) DRAFT CHARGING SCHEDULE  
CONSULTATION**

Thank you for allowing Dwr Cymru Welsh Water (DCWW) the opportunity to formally respond to the above consultation. We refer to our representation to your previous Preliminary Draft Charging Schedule consultation on the 28<sup>th</sup> November 2012.

Whilst we acknowledge that comments on the Regulation 123 List will not form part of this current Charging Schedule consultation and that the list can be added to at any time in line with Regulation 123 of the CIL Regulations, we would like to reiterate our suggested amendment to the Physical Infrastructure section of the 'Draft Infrastructure List' to read:

- Strategic **Water and** Drainage Network

We believe that water and drainage network infrastructure is a key component in a development proceeding and if there are any problems with our infrastructure that we are not funded by our Regulator to resolve then CIL funding can assist.

We would welcome being involved at future stages of developing a Charging Schedule for the Authority.

Yours Sincerely,

Rhidian Clement  
**Principal Planner**  
**Developer Services**
