PH.1

Further to the comments raised by the Inspector regarding the funding gap, please find attached the excel sheet that indicates the correct figure. I think the discrepancy between our figures and the Inspector's relates to the provision or otherwise of the SE bypass (Policy TR9). The figure of £25m is indicated in the table, however as a decision has yet to be taken on the acceptability of otherwise of a bypass we did not include this figure in the final total. I should have made a note on Appendix A of the Infrastructure Delivery Schedule.
