

LDP PREFERRED STRATEGY

Don't miss out, have your say!

The Council are in the process of preparing an exciting new plan called the Local Development Plan. This plan will guide development and use of land within the borough for a fifteen-year period up to 2021!

The Council will shortly be consulting on the part of the plan called the 'Preferred Strategy'. The Preferred Strategy will serve to guide the development and use of land within the County Borough, setting out the key aims and objectives for the Local Development Plan, identifying areas to be protected and those suitable for development.

The Council would like to hear your views on the 'Preferred Strategy', so

get involved during the public consultation period 18th April - 30th May!

Remember it's your future, have your say!

For more information contact a member of the Strategic Planning team on the LDP hotline: 01495 235376 or email LDP@caerphilly.gov.uk

So where can you view the Preferred Strategy?

The Preferred Strategy is available to view on our website, at your local library, and at all main Council Offices during the public consultation period.

Alternatively, why don't you come and see us at one of our mobile exhibitions that will be visiting your area...
